

Executive Portraits

Let Lakewood Photography produce your next business portrait. You can be in and out of the studio in only 15 minutes!

We use the very latest in digital technology to capture the right pose and expression which will convey the special look a good business portrait requires - a balance of professionalism yet still friendly and approachable.

All Lakewood Photography executive portraits are fully retouched to make you look your best. The digital files are then recorded onto a CD for you to use however you like.

The session, retouching and CD, along with the copyright to the image are all included in the session fee of \$225.

You will receive a 300ppi image (for printing) and a 72ppi image (for web use) on your CD.

Prints: 8x10, 5x7, 4x5 (each) \$109
